A Place to Connect, Inspire, Belong

Welcome to October 2018 with the Bay Riders Community Centre…

As the year flies by, we have held many fantastic school holiday programs during the September -October holiday break with Cooking, Australian Wild Life Art illustration with the very talented Taze, Archery, African Drumming and Basket Weaving. All of these programs were very well attended and thoroughly enjoyed by all. One of the many highlights was African drumming with Abli who spends his time living in both Africa and Australia traveling and teaching not only African drumming but rhythm and dance. Abli also answered many questions from his very curious audience. He was an absolute delight.

We are so grateful to the RE Ross Trust funds which has enabled us to run amazing programs that we would otherwise be unable to deliver.

Our Pop Up Play presented by Horsham Uniting was wonderful with many mums and their children attending and enjoying the many games and toys the crew from Uniting brought along with them. A delicious and healthy morning tea was enjoyed by all.

The Mens Shed celebrated Mens Shed Week with an enjoyable BBQ on the 27th September with Alan in charge of the snags...all in the spirit of mateship which was the theme for Mens Shed Week this year.

We are pleased to be able to run another cooking evening on Saturday 24th November at 6.30pm (cost tbc) with Elias Younis who is an expert Lebanese chef from Melbourne. Please be sure to book early to avoid disappointment. We are also planning on a few more cooking workshops throughout the new year. I welcome everyone to our AGM on the 22nd October at 11am and if you are interested in joining the BRCC Steering Committee, we do have vacant positions so please do contact us if this is of interest to you.

Men's Shed Report for September 2018

Spring is here and the weather is getting warmer and the work rate is still very high at the Men's Shed regardless of the climate.
The home and away part of the footy season is over and this year in our tipping competition we had 32 very keen tippers. While it was close at the top of the punters list the eventual winners were; 1st on 144 Tim, 2nd on 140 Nathan with Alan 3rd on 139. Congratulations to the winners and all those who participated.
As the numbers at the Shed are increasing we are slowly out-growing our current facilities, so we are very fortunate to have been successful in receiving a grant to extend the existing building. This will make it a lot easier to maintain our current work load and handle any increase in the future.
We celebrated Men's Shed Week with a BBQ on the 27th September cooked by Chef Alan. All were welcome in the spirit of mateship and we all enjoyed a sausage, a chat and a laugh.
Please don't forget to drop in and see Paul regarding any furniture repairs or timber jobs you need done by our experienced members.
The Harrow Men's Shed meets every Thursday from 10.00am till 3.30pm and all will be warmly welcomed.

October 2018

Bookings and classes

Bookings are essential for all classes and activities. This is important as many classes have minimum number requirements that need to be met before that class can commence.
Course cancelations, withdrawals and refunds. Classes/activities may be cancelled if the minimum number of enrolments is not reached one week prior (unless otherwise advertised /specified)to the scheduled commencement date. In this instance a refund will be issued. Refunds are not available if you fail to attend a class for which you are enrolled. The Bay Riders Community Centre is a not for profit organisation and late withdrawals from classes can result in the class becoming financially unviable. Please contact the Coordinator for information on our fees policy.
Please do not feel excluded due to financial hardship. Please speak to us before the start of a course/activity to organise an alternative arrangement. Your confidentiality is assured.
